BELONG TO YOUR Professional Association

Belonging to your professional association sets you apart from the competition by ascribing to a Code of Ethics, voluntarily investing & participating in a performance-driven networking group, and serving your industry through advocacy and community service.

NAIFA offers a business-friendly membership fee model based on your industry experience.

Year 1	Year 2	Year 3	Year 4	Year 5+
\$10/month	\$20/month	\$30/month	\$40/month	\$56/month

Your fee is based on the number of years in the industry as a producer. One fee provides you membership at the local or affiliate level, state level and national association. Take advantage of programs & networking at all three levels for one fee.

Additionally, if you have 3+ years as a producer, you can take advantage of our introductory rate of \$30/month for the first year. Your fees will then graduate up in subsequent years.
